SIDE DISH

Supplied daily from our local fisheries, fresh big prawns are carefully selected and baked at 180°C to perfection and grinded to a fine texture, then simmered for more than eight hours with array of premium ingredients. A blend of spices such as star anise, cinnamon, clove and white peppercorn are added into the luscious stock, giving a piquant oomph and enrich the overall flavours.

Through a house style preparation method, the broth is characterised with a smoky aroma that is distinct only to Le Shrimp Ramen. The result is a tangerine-orange, rich and flavoursome broth that is bound to satisfy your noodle cravings.
